

Memorandum

TO : Director of Logistics
Attention : Executive Officer
FROM : Chief, Security Staff, OL
SUBJECT: Proposed Amendment to CIA Act of 1949

DATE: 14 DEC 1961

1. Reference is made to the rough draft, dated 20 November 1961, (Subject as above, being circulated by Mr. J. S. Warner, OGC/LC, for comments.

2. It is recommended that the proposed new section 7 "Protection of Intelligence Data" be amended by re-numbering 7. (a)(4) as 7. (a)(5), and inserting the following words as the new 7. (a)(4): "(4) classified information released to or generated by non-government organizations or individuals that relate to the bidding on, or the negotiation, award, performance, or termination of contracts with such organizations or individuals."

3. The above insertion would authorize the DCI to promulgate rules and regulations for an Agency industrial security program, similar to that authorized for other government agencies under E. O. 10865, without relying on the DCI's general authority to protect intelligence sources and methods. The above has been coordinated with and approved by [redacted] OGC/OL.
